Sir,

Subject:- Allotment of Bungalow site No.29 (80'x120') in Block I of Kumarapark West Extension to Sri T. Gurunanjiah, B.A., B.L., First Additional District Judge, Bangalore, in exchange for site No.19 in Block V of Kumarapark West Extension.

---- Plan 'B'

Adverting to your letter No.L.91/I.T.B.28-55-3 dated 6-4-1955 intimating that site No.29 (80'x120') in Ist Block of Kumarapark West Extension may be disposed of in Public Auction in case Sri C.V. Natarajan, the previous allottee did not accept the site at Rs.9/- per Sq.Yd., I write to state that Sri C.V. Natarajan has not shown any interest in purchasing the site at the rate fixed by Government.

(2) In the meanwhile Sri T. Gurunanjiah, B.A., B.L., who was previously allotted site No.19 in Block V of Kumarapark West Extension has requested in his application dated 16-6-1955 that site No.29 (80'x120') in I Block of Kumarapark West Extension may kindly be allotted at Rs.6/- per Sq.Yd. in exchange for site No.19 (40'x60') in V Block of Kumarapark West as the latter is not suited to his requirements being too small and containing many pits. And after much discussion it was resolved:-

> "that site No.29 in Block I of Kumarapark West Extension measuring 80'x120' be allotted to Sri T. Gurunanjiah, First Additional District Judge, at the rate of Rs.9/- per Sq.Yd. ~~in~~ or at any other rate that Government may fix and the allotment being in exchange for site No.19 in Block V of Kumarapark West Extension"

I request that approval of Government to the resolution of the Board may kindly be obtained and communicated.

Yours faithfully,

Sub: Re- Grant of Site No.29. in Block (1) Kumara Park Extension.

---

The City Improvement Trust Board was pleased to grant me the said site at an upset price of Rs.7/-/- a square yard. After receiving an endorsement to that effect I paid a deposit of Rs.2392/-/-, and in the mean time I was informed that the Government have directed that it may be sold at Rs.9/-/- a square yard which comes to Rs.9570/-/-.

On this I again brought to the notice of the Board that in view of the site being uneven requiring considerable filling up- the upset price be reduced to Rs.7/-/- . The Board having inspected the spot recommended again to the Government to sell at Rs.7/-/- a square yard. On this I was told that the Government would not accede to the Resolution of the Board. I submitted a petition to you, Sir, praying that the matter may be ~~please~~ reconsidered- and that you might be pleased to inspect the spot. If an opportunity had been given to me I would have brought to your kind notice all the facts and convinced you the reasonableness of the price being fixed at Rs.7/-/- a square yard.

p.t.o.,

Even now, Sir, you may be pleased to accept the Resolutions passed twice by the Trust Board fixing the price at Rs.7/-/- particularly in view of the immediately adjoining site facing two roads having been sold at - Rs.5-8-0 only. The site now allotted to me faces only one road and is in a lower level. If necessary you may be pleased to inspect the spot and pass kind and favourable Orders accepting the Resolution of the City Improvement Trust Board , for which act of kindness I shall remain highly grateful.

GOVERNMENT OF MYSORE

The Secretary to the
Government of Mysore,
Local Self Government,
Bangalore.

Sir,

I submit this representation for favour of sympathetic consideration.

Since very many years, in fact since 1948, I was making applications to the Bangalore City Improvement Trust Board requesting the allotment of a suitable building site to enable me to build a house for my own occupation.

It was recently on 23-3-1955 that site No.19 in Block V of Kumara Park West Extension was allotted to me.

This site measuring only 40" x 60" I found was very small for my needs. Besides it has a big pit which entails considerable cost for levelling up.

After the aforesaid site was allotted to me, I was informed that another site bearing No.29 in the same extension was available. I submitted a petition to the Trust Board to allot it to me and that I would give up site No.19 that had already been allotted to me.

I learn that the Trust Board are pleased to favourably consider my request and that they have sent up their recommendation to Government that they may be pleased to approve of the allotment of site No.29 to me.

In this connection, I crave your indulgence to invite your attention to these facts:

(a) The Trust Board, I learn, have been pleased to recommend that the site No.29 may be granted to me at Rs.9/- per square yard or at any other rate that the Government may be pleased to fix.

(b)

(5)

(b) The price of Rs.9/- per square yard which works up to about Rs.9,600/- is too heavy and with my very moderate means I will be unable to pay such large sum of money.

(c) I have been a servant of the Government and I pray that my case may be considered as a special one meriting relief.

(d) The site adjacent to site No.29, I learn, has been allotted to Sri Henjarappa at Rs.6/- a square yard. Several other sites in that lay out have also been allotted at similar rates.

(e) The prices of buildings and building sites are showing considerable downward trend and now the value of the site in advertance, I may respectfully submit, can be reasonably fixed at the same rate viz., Rs.6/- a square yard. Besides the whole of the north-western portion of site No. 29 is a huge low-level pit and it would involve heavy cost to fill it up

(f) That in view of my long service in Government ~~service~~, I may be permitted to claim this as a concession.

For these and other reasons, which, if opportunity is granted to me I shall personally submit, I respectfully request that Government may be pleased to sanction the allotment of site No.29 to me at Rupees six per square yard.

Yours faithfully,

Gurumanjah
